

Handcrafted Durability. Timeless Elegance.

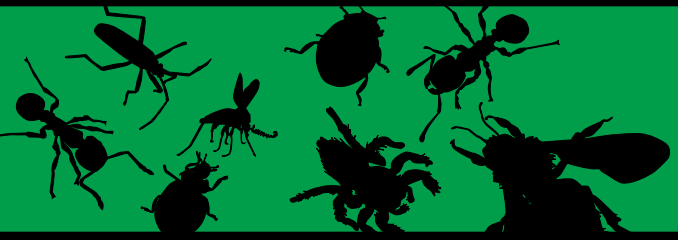

Why Choose a PCA Enclosure?

BEAUTY

No other enclosure system compares to the combination of elegance, quality, structural integrity and craftsmanship found in a PCA enclosure. Our high quality systems add both increased value and curb appeal to every home.

ELIMINATE INSECTS

Our enclosures are designed to keep insects out and your entry clean!

FRESH AIR

Screen enclosures allow you to enjoy cool natural air flow throughout your home while maintaining safety and comfort.

SAFETY

A PCA enclosure can provide a safe way to meet strangers while at the same time an elegant way to greet your family and friends.

Handcrafted Durability. Timeless Elegance.

Handcrafted

IT'S IMPOSSIBLE TO MASS PRODUCE PERFECTION

FOR BETTER QUALITY AND ATTENTION TO DETAIL

Your PCA door is custom handcrafted by our skilled craftsman. Every door and enclosure accessory is produced to your exact specifications at the time of your order.

PCA doors are individually powder-coated by hand. This painstaking process ensures a higher quality coating and finish around every edge.

Our optional hand painted figurines are all created the old fashioned way by our skilled artisans, for a truly unique and quality finished product.

Handcrafted Durability. Timeless Elegance.

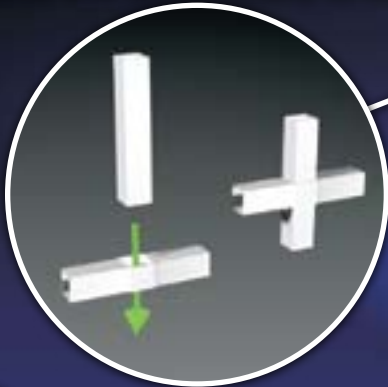

The PCA Advantage

Flat locking spline means your screen will never blow-out!

PCA exclusive Thru-Lock System.
Clean appearance and exceptionally strong.

Aluminum corner key prevents door sag.

Ceramafast fully coated fasteners, for superior protection from salt air.

Cast aluminum scrolls.
NO Plastic!

Impervious to
outside elements.

Maintenance free kick plate system.
No unsightly spline!

Handcrafted Durability. Timeless Elegance.

The background of the entire slide is a dark, monochromatic image of palm trees. The fronds of the palm trees are silhouetted against a slightly lighter, textured background, creating a tropical and sophisticated feel.

Now Let's "Create an Entrance" for your home!

To assist you in your decision we invite you to..

A. – Gallery Approach

Select an enclosure from one of our more popular designs as presented in the Gallery Section

Select your enclosure, then select your options..

- Color
- Screen type
- Specialty hardware items

B. – Custom Approach

Mix and match individual PCA components to build your custom enclosure from the following:

- Screen Door Designs
- Sunburst Designs
- Side Lite Designs
- Color
- Screen type
- Specialty hardware items

Handcrafted Durability. Timeless Elegance.

Specialty Hardware

The Tasman provides superior design by coupling a double key locking system along with a lever style handle that is fluid in operation. The Tasman can be locked from inside or out with a key. Features a Dual Select locking mechanism allowing the door to be locked from the inside via a Snib function, or if you prefer more security you can lock with the key which will override the Snib

PCA's exclusive Astragal System for double door installations allow you to open both doors leaving no obstructions in the opening. Incorporated Flush Bolts at top and bottom of Astragal are easy to operate and provide a quick and effective way to open and close your "fixed" screen door.

Handcrafted Durability. Timeless Elegance.

Tasman Ordering Information

Upon ordering, it is important to specify the hinge placement viewing the door from the outside looking in. See examples below.

Standard placement of lock on most door designs is at 39-3/4" from the bottom of the door to the center of the handle.

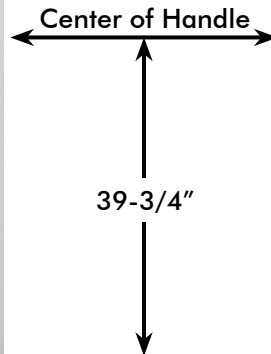

Exception: Certain door designs dictate the position of the lock placement.

Tasman lock can be placed at a special height on the door as per your request.

Left Hinge (LH)
(From outside looking in)

Please Note:

Lifetime Warranty

The purchase of a PCA Products, Inc product is backed with our exclusive Lifetime Limited Warranty against defects in manufacture, design and workmanship. PCA Products, Inc, provides quality products which have been carefully inspected. If inspection shows defective material or workmanship, PCA Products will repair or replace (at our option) the product without charge. Proof of purchase may be required. This warranty is not transferable and inures only to the benefit of the original consumer purchase. This warranty does not apply to normal wear and tear. It does not cover any damages caused by carelessness, unsafe handling, alterations, accidents, misuse, or repair attempted or made by personnel other than PCA Products, Inc.

Handcrafted Durability. Timeless Elegance.
